*Stephen L.

“ This Swiftworks program is something else! I've tried a lot of programs over the years and never made much money. But, right now, I've earned over \$9,300 in my first 8 weeks. And it's easy to do! The company does so much for us that we only work the business for about an hour a day. My wife and I just couldn't be happier. Thanks for creating a great program that's actually simple to do! ”

*Doug & Jenn H.
San Bernardino, CA*

“ If you're looking for an honest way to make some extra cash (without all the complicated systems and without having to "bet the farm"), this is the SIMPLEST thing that's ever worked for us. We earned over \$7,100 in our first 20 days and over \$20,000 in our first two months. The best part is that we don't have to do any personal selling or talking to anyone. The system will do it all for you. Best program ever! ”

You Can Make As Much As \$6,100 Up To \$22,500 Per Month...In Less Than 90 Days. And You Keep 100% Of The Money You Receive From Your Customers! Lock The Door, Take The Phone Of The Hook and Read On...

Hey!

I write like I talk so I'm not going to do a lot of hemming and hawing and cat-pawing around. Look, I know all the kinds of mail you receive and the crazy offers you're asked to believe.

In the last 20 years, I've seen every make-money-from-home program imaginable. Most are junk. A few are worthwhile.

But, every once in awhile, you get the chance to be in the "right place at the right time" and be part of something truly unique.

In the next few pages, I'm going to show you a **REAL business that you can be proud of that just plain works**.

It's fun. It's profitable. It's easy to do (even if you've had 'diddly squat' results in the past. In fact, it's about the most American thing you can do!

In fact...

You Can Begin Receiving Large Cash Profits Straight To Your Doorstep In As Little As 14 Days!

Perhaps best of all, this business has nothing to do with MLM, internet marketing, cash gifting or pyramid schemes. You can start small. You never have to chase your friends and family. **You don't even need a computer!**

Here's The Simplest Explanation Of How It All Works...

The program you'll be working with is called **Swiftworks™**. And even though you may have never heard of them before today, they're creating HUGE waves in the work-at-home industry. Swiftworks was created with the vision of teaching people how to create wealth through direct-response marketing and free enterprise. To do this in a predictable way, they discovered there were **THREE**

ingredients necessary:

1. A marketing process that virtually anyone can do
2. A unique product line that actually changes lives
3. A compensation plan that would finally pay people what they deserve and provide massive leverage

The entire business revolves around the common mission of **helping people change their lives** through powerful educational products. And to “put their money where their mouth is, the company has a solid commitment:

“If YOU Don’t Make Money, WE Don’t Make Money! That’s Our Commitment To You!”

The primary method for marketing your business is with a method that has consistently created **MILLIONAIRES** for over 50 years: *direct-mail*.

You see, every person who’s **succeeding with this program** does **ONE simple thing**: they use our marketing system to put this unique letter into the hands of men and women who are **ACTIVELY** looking for a way to change their lives.

I’m not talking about time-wasters, “lookey loos” or tire-kickers. I’m talking about quality men and women who don’t need to be “convinced” to play big in life. They don’t need to be convinced. Because, these are people who’ve already decided to “play big” in life!

They’re just looking for a place to do it...and that’s why Swiftworks is so attractive!

Can you imagine how different your experience can be when you’re **ONLY** showing your business to people who have **ASKED** for it? If you’ve never experienced this type of ultra-targeted marketing, you’re going to be pleasantly surprised at how well it works!

Here’s what happens next: These qualified prospects all read this exact same letter, buy a product package and **YOU** start building a business that puts envelopes full of cash in your mailbox with...

Profits That Range From \$50 On The Low End...All The Way Up To \$3,600...Per Sale!

These envelopes are sent to you directly by the customer and are delivered directly to your door. You never have to wait for the company to send you a check and you never have to touch a product. You can receive these payments multiple times each week (or even multiple times per day) and you can **get started today**, as soon as you **finish reading this letter**.

And, just so you know: the products are EXCELLENT. If you’ll use these powerful home-study products for yourself, I **GUARANTEE** you’ll be **delighted with the quality of information and coaching** you’ll receive!

Here’s How To Start Getting Payments Of Up To \$3,600 Cash In Your Mailbox In The Next 14 Days!

Join Today For As Little As \$100 And We’ll Take Care Of Everything!

STEP 1:

You choose the product level you’d like to get started at (as little as \$100) and send out your cash payment to order your product.

STEP 2:

You choose how many letters (like this one) you want the company to mail out to quality prospects on your behalf.

STEP 3:

You start getting cash payments delivered to your doorstep from the people who received your letter and decided to purchase a product package.

NOTE: Since the company handles all the mailing for you, it’s incredibly easy for you to start making money right away by simply following the three steps above.

Also, because we don’t charge any enrollment fees for joining...AND because these life-changing products aren’t available anywhere else...AND because there are package available for any budget, the response rate for this letter may be anywhere from 2-3% on average. This means you can start making huge profits as early as your very first marketing campaign!

Membership Packages For Every Budget And For Every Financial Goal!

You earn a lucrative profit on every personal (“direct”) sale you make...and you also earn profits from the sales made by your personally enrolled members (“indirect sales”). This is the most powerful form of leverage in the industry! It means that **every time one of your members gets paid...you do, too!**

HERE’S HOW IT WORKS: When you mail your letters out, they’ll have YOUR name and address in Box #2. Your customers pay you directly. This means you never have to wait on the company to pay you. You have 100% control over this income stream. The more letters you mail, the more direct profits you can make. Here’s where things get interesting. Let’s say you’ve enrolled 10 people into the business at any level. And let’s say they each start mailing 1,000 letters per month. That means you’ve got 10,000 letters every month out there with your name in Box #3! **That’s 10,000 letters working for you that you didn’t have to mail or buy postage for!** With these lucrative profits, even a conservative response rate can pay you **up to \$29,200 per month...in completely passive income!**

Marshall B.
Houston, TX

“After years of struggling in home businesses, I was skeptical. So, I got started at the \$100 level and had the company mail some letters for me. That first campaign resulted in 9 sales and put \$540 in my pocket. I was blown away. I missed out on some of the higher commissions because some of those people got started at a higher level than I was qualified for. I didn't want that to happen again so I upgraded to the Level 4 Product package right away. I've just never seen anything work that fast and I've tried a lot of stuff. Oh, and when those 9 people started their marketing campaigns, they brought in over 30 people and I made over \$3,000 from their sales! Best program ever!”

You'll notice from Marshall's testimonial that there's another advantage for being at a higher level: when one of your team makes a sale for a higher level than they're qualified for, those extra profits roll up to YOU. There's a big advantage to making sure you're positioned at higher levels than your team! With that in mind, let me tell you about a special bonus:

LIMITED TIME OFFER: Special “Level Up Bonus”!

The “Level Up” bonus is the most valuable offer we've ever created and it will only be available during this special promotional period. When you take action and purchase your Product Package within FIVE (5) business days of receiving this letter, you will be given a **FREE INSTANT UPGRADE** to the next Product Level! This means you'll be automatically qualified to earn at the next higher level in the compensation plan at NO additional charge.

EXAMPLE: When you join at Level 5, you are qualified to earn \$1,250 profits on all your own sales. However, when you GET STARTED TODAY, the company will give you a FREE UPGRADE to Level 6 where you can earn \$2,500 profits! You can potentially double your income simply by being taking committed action now. **Make sure you get your order submitted TODAY so you don't miss out on this special bonus.** (NOTE: We reserve the right to discontinue this bonus at any time.)

Frequently Asked Questions

How much can I earn with Swiftworks™?

Every time someone gets started from one of your letters (whether you mail it or we do), the customer will send you a profit of \$50, \$125, \$250, \$500, \$1,250, \$2,500 or \$3,600. These huge profits are paid to you in cash directly by the customer and you will receive them by FedEx, UPS Next Day, or US Priority Mail.

Is it difficult to make sales?

Not at all! Here's all you need to do to start receiving huge profits as often as every day:

STEP 1: Choose the Product Level you'd like to start at and follow the instructions on the Order Form for submitting your order and processing your payment.

STEP 2: Order your first direct-mail campaign so your letters can start going out quickly. Naturally, you can simply make copies of your letter and do your own mailing if you'd like. It's up to you. The main thing is to get as much mail out as you can right away.

STEP 3: When your letters go out and customers start responding, you'll start receiving cash profits of \$50, \$125, \$250, \$500, \$1,250, \$2,500 and \$3,600 paid directly to your mailbox.

BONUS: When your own team members start marketing the Product Packages with their own letters, that's when the Leveraged Income kicks in. Every time one of your team-members makes a sale...you earn a profit without doing anything at all! This recurring income will continue to come in each time we do mailings for your team members or they do mailings themselves!

What if I can only get started at Level 1 or Level 2?

We understand that not everyone can purchase the higher Product Packages right away. If you need to start at a lower level and work your way up, that's a good plan, too. Plus, for a limited time, **when you get started NOW, we'll upgrade you to the next Level FREE!** Regardless of what level you start at, you can still earn a substantial income. The main thing is to get started TODAY!

How long does it take to make money?

This is an excellent question and shows that you're ready to get started! Since we have no way of predicting what anyone's activity level will be, all we can say is that most members promoting Swiftworks see results from their first campaigns in as little as 7-10 days. You can go as fast as you want!

How do I get paid?

The customer pays you directly in cash for their product purchase. This is literally the oldest business model in the world: it's the power of making a simple retail sale. The only difference is that YOU never have to do any telling, selling, convincing or persuading. Our special marketing letter does all the "selling" for you. All you do is mail letters (or let us mail them for you)....and watch the orders come directly to your mailbox! **It's simple, safe, profitable, fun and about the most American thing you can do!**

Roland H., Macon, GA

“ These products are beyond amazing! I just wanted to write and tell you how great it was to watch you ‘peel back the curtain’ and show us success strategies that we would never have seen if you weren’t such a generous teacher. Thank you! May your tribe increase! (P.S. Rest well knowing that some of us have ‘fresh wind’ in our sails because of the fresh air you’ve sent our way!) ”

Frequently Asked Questions (continued)

Do I need a PO Box to get started?

Unfortunately, a standard PO Box cannot receive UPS Next Day Air or FedEx deliveries. For this reason, we recommend you use your regular street address or use a private mailbox service such as the one provided by your local UPS Store. (The UPS Store accepts packages from all carriers.)

Remember, Swiftworks is a cash program. For this reason, we recommend new members use FedEx or UPS Air for shipping their payments. This provides the new member with a tracking number so they are secure and confident that their payments are being handled correctly and on-time.

Why do you not accept credit cards?

Three reasons: SPEED, CONVENIENCE and PRIVACY. **SPEED:** Personal checks require up to 14 days to clear. That slows everyone down. By accepting payments in cash, we can process your order immediately. **CONVENIENCE:** Swiftworks is designed so that ANYONE can make huge profits without the hassle of getting a merchant account or paying up to 6% per transaction for processing, etc. When you get an order today, you're PAID. **PRIVACY:** More and more, Americans are concerned with privacy. And they should be! *Having a cash business is one of the last ways for you to have financial privacy in today's economy.* Enjoy the freedom of having a cash business that can pay you huge profits DAILY.

How does the Done-For-You Mailing service work?

For Members who would prefer to have all their marketing done for them, the company can handle your entire marketing campaign for you. You simply let us know how many letters you want mailed and we take care of the rest. We source the leads, we print the letters, we handle the printing, inserting and mailing. It's a true "hands-off" option that allows you to outsource the entire process...and all you do is collect the profits! Of course, you can also do your own mailing as well. The Done-For-You Mailing Service is recommended but not required.

Is this business legal?

Yes, absolutely. Direct-response marketing has been around for decades and is used by almost all Fortune 100 companies such as Amazon, GEICO, Apple, Microsoft, Ford Motor Company, Google and more.

It's also important to know that Swiftworks is not part of the MLM industry nor does our business model resemble "cash gifting" in any way. *No one earns money from "enrolling" others into the program.* The only time a member earns money with Swiftworks is when a product package is sold. In this way, Swiftworks is compliant with all federal, state and local guidelines. We understand that it's sometimes difficult to decide who to trust and work with. It's for this reason we hold ourselves to the highest ethical standard. We expect the same from our members. Only ethical, honest people are invited to be a part of the Swiftworks community.

Okay, I'm ready to get started! What do I do next?

Congratulations on your decision! Getting started is easy. On the next page, simply decide which product level you want to begin at. There are seven product levels to choose from. Each product has its own price, payout structure and payment instructions. (NOTE: the three addresses you see for a particular product level may be different from another product level. So, read the addresses carefully and make sure you're shipping the correct payments to the correct address for the product you select.)

Once you decide which product package you want, follow the instructions for sending payment and a copy of the order form to each of the THREE (3) addresses provided for that product package. (If you don't have a way to make copies, just include your information on a separate sheet of paper with your Box #2 and #3 payments. The original, official order form (enclosed) should be included with your Box #1 payment.)

Once that's done, ship EACH of your THREE (3) payments to the addresses indicated for your selected product Level. **Always use FedEx, US Priority Mail, or UPS Next Day Air for your security and peace-of-mind.** Once your payments are verified, we'll ship your New Member Welcome Package and products and you'll be instantly in position to start making money. That's all there is to it! Welcome to the Swiftworks community!

Done-For-You Direct Mail Campaign Order Form

Use this form to order your done-for-you advertising campaign as soon as possible. You can order quantities of 200 up to 10,000. (For larger quantities, please inquire before ordering so we can source the leads in a timely manner.) Your order will include our custom 8-page sales letter and mailed with First-Class postage.

Due to the low cost of entry for this opportunity, response rates generally exceed industry averages. A good rule of thumb is 2-3% although your actual results will vary. This means that a 2,500 piece mailing typically produces between 50-75 sales. With proper onboarding, a good portion of these customers will upgrade to a higher Level in the program.

But, it's when they order their OWN mailings and have their own letters going out (with YOUR information in Box #3), when the real magic happens and you start earning a passive income from team sales, upgrades and pass-ups from your team's efforts.
